Notification.

The following memo of precautionary measures to be adopted during the ensuing Sri Subrahmanyaswami Jatra at Ghati in the Dodballapur Taluk, which commences from 11th January 1940, is issued for information of the general public, in the interest of public safety and welfare :—

1. The shops located in the Jatra premises should be constructed in lines leaving an intervening space between shops and leaving a space of 7 feet from the side drains on both sides of the roads, to avoid accidents, obstruction, etc.

2. Sweetmeat shops and hotels should not be located near other shops. They should be in a separate line to be fixed by the Amildar as they will always have the fire ovens going.

Temple Premises.—Inside the compound, the temple verandah will be barricated and provided with separate ingress and egress for men and women. The pilgrims visiting the shrine will be let into the temple by batches. The temple proper will on no account be allowed to be used as a halting or resting place.

Cattle Fair.—Cattle that gather will not be allowed to be exhibited by the side of the high roads. They should be made to stand in places or picked in lines specially allotted for the purpose.

5. Motor vehicles plying for hire for pilgrims will on no account be allowed to run through the Jatra premises ; they must stop at the junction of the Bowring Ghati and Hindupur Roads beyond the Makali Railway Station where the pilgrims must alight and make their own arrangements to go to the Jatra. Places will, however, be provided for the parking of such vehicles.

6. The speed of the pleasure cars in the Jatra premises should not exceed six miles an hour.

7. Licenses will not be granted to the Dramatic Companies, Circus, Cinema Theatres, etc., until they have one hundred pots of water ready at all times to meet emergencies. Theatres should have at least six entrances and exits.
